Are you ready for the 2007 Specialty?!

By Lisa Stephens

So we are past busy and have moved on to chaotic. Everything is up on the club's website as well as the National club's website. The premium is out. The ads are running. Please take time to read through the options for the weekend. There is a weekend special package that get you included in everything. In addition, there is also an individual event order available. Don't let the deadlines slip up on you, there is special "early bird" pricing as well.

I really want to encourage everyone to make their hotel reservations as soon as possible! The hotel we have has already booked all of the additional rooms they had. They are chomping at the bit to release the rooms I have reserved. Our rooms will only be held until March 15th. Please plan ahead.

Several people are still inquiring about the Pat Hastings seminar. I did have someone lined up with a litter of demo dogs, however she may not be able to attend now due to family illness. I would like to find a litter that would be 8 weeks old at the time of the seminar. A large breed would be best because it would be easiest to see. Combined has placed this seminar in the Georgia Building.

This is a huge undertaking for the club. It will require all members to participate in many ways, not just as an exhibitor. Our trophy fund still needs donations, our auction is still in need of some special items, and we need workers to help everything run smooth. Please consider where your talents are and let me know where we can put you to work!

OUR NEXT MEETING...

Tomorrow Evening March 6, 2007

Steak and Ale LaVista Road Exit - Northside Drive off of I-285

6:00pm Handling Classes and General Meeting and Paperwork Seminar to follow. See you there!

* SPECIALTY NEEDS

I need someone able to pick up Pat Hastings at the Atlanta Airport on Thursday and bring her to the host hotel.

* I also need someone to take Pat Hastings back to the airport on Saturday.

* I need someone to get Pat Hastings to and from the hotel to the show site and back after the seminar.

*I need someone to be responsible for the Pat Hastings material sells throughout the weekend and someone to be responsible for sending the items back to Pat Hastings.

*I need people to set up the tables for wares to be sold, set up the tables for the food to be placed on, to set up the power point/microphone/demo table and I need people to break everything down and make sure the place is left clean.

*I need several workers to help with setting up and breaking down for the auction/banquet on Saturday night.

*I need several workers to help with setting up and breaking down for the show on Sunday. Set up will be Saturday.

*I would like for people to volunteer to bring items in for hospitality baskets to put in the rooms of our judges and Pat Hastings.

Have you seen a great flyer or article about something cavalier related? If so, please send it to Brenda Martz for consideration for use at our club's education table. If you have other items that you would like to see on that table, please share them with me. Also, ask your vets and look back through what articles and such that you've kept over the years.

President's Message

Hi Everyone,

We are moving right along with a great start to the year. Our Specialty is around the corner, and plans are fast coming together. Premium list are out, and we are getting Reservations for the events already. Make your reservations early. The Pat Hastings Seminar will be a hot ticket. Auction items are piling up, and we hope you will all be bidding and attending the banquet.

A full schedule of Monthly programs will provide the Club with interesting activities and guests. This month will be our Handling Classes starting sharply at 6 PM. Bring those youngsters out! In addition, we will have a speaker from the American Kennel Club tell us how to be in compliance with your AKC paper work. Accurate record keeping is mandatory.

Several of us are off to the UK for the Crufts show in March, right after the monthly meeting. I hope that we'll have lots of interesting stories, and dogs to report on.

See you all soon,

Pat
