

Harmonic Minor

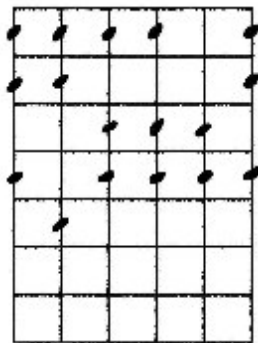

in position

The Harmonic Minor scale is one of the four 'main' scales in use, along with Major, Melodic Minor, and Harmonic Major. It's a seven note scale consisting of 1/2 steps, whole steps, and one minor 3rd. It's spelling is 1 2 b3 4 5 b6 7. The Harmonic Minor scale has quite a few useful modes, which I'll outline in another sheet. This particular set is in position, so no shifting, but one string in each fingering only has two notes. Below are fingerings derived from each degree of the scale, giving coverage across the fingerboard.
