

Melodic Minor

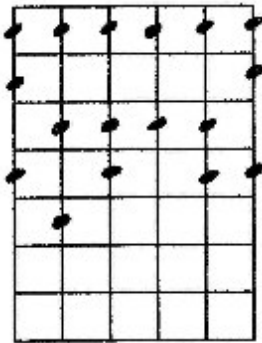

in position

The Melodic Minor scale is one of the four 'main' scales in use, along with Major, Harmonic Minor, and Harmonic Major. It's a seven note scale consisting of 1/2 and whole steps. It's spelling is 1 2 b3 4 5 6 7, and is often referred to as 'Jazz Minor'. The Melodic Minor scale has quite a few useful modes, which I'll outline in another sheet. This particular set is in position, so no shifting, but one string in each fingering only had two notes. Below are fingerings derived from each degree of the scale, giving coverage across the fingerboard.
