

It Is Upon Us  
By Hannah Spiro

C#m                    B                    A  
When you know you're not the only  
Don't know which way, but finding it slowly  
When you know your life is for a reason  
How can I become a reflection of what I can't even envision?  
Eili, eili, I am trying  
E        B        C#m    B        A  
Ainainainai...

C#m                    B                    A  
Bend my knees and fall before you  
I am an infant, I am a molecule  
Stretch me out and then embrace me  
I feel the galaxy swimming inside of me  
It is upon us, modeh ani  
E        B        C#m    B        A  
Ainainainai...

C#m        B            A  
Veyadata hayom
