

# THE STEVENS FAMILY

• *"Singing in Harmony...Sharing a Heritage"* •

The Stevens Family, from Warren, Ohio, has been traveling in music ministry since 1985. Their ministry has been described as one that spans the generations, effectively sharing the gospel and connecting with people of all ages. A concert with SF offers a variety, as their music can't really be labeled as one particular style. From traditional to adult contemporary, from a cappella arrangements to orchestral accompaniment, from the original songs they have written to a fresh arrangement of an old hymn or an intimate moment singing around the piano - their approach to music ministry has never been a 'one size fits all' mentality.

Rich, Tami & Erin have completed many recordings, which showcase their creative songwriting abilities. They have written songs that have been recorded by artists such as Greater Vision, The Whisnants and The Inspirations. They have been honored to share the platform with respected groups such as The Booth Brothers, The Couriers, Karen Peck & New River, Triumphant Quartet, The Nelons, The Talley Trio, Tribute Quartet, Jeff & Sheri Easter and many more. They have also appeared as featured artists at Dollywood in Pigeon Forge, TN. The Stevens Family has had opportunities to share their ministry in more than 4000 concerts in 35 states, Ontario and Quebec, Canada, as well as the West Indies, England and Romania. Each year they travel thousands of miles, crossing many denominational lines. The Stevens Family has a special message and an apparent sense of direction in their ministry. Their music is Christ-centered and family-oriented. The purpose of their ministry is to offer encouragement and hope through the message of God's Word in song.

## ***About Rich...***

Being raised a pastor's son, Rich was greatly involved in music ministry at his home church. He is a talented singer, keyboardist, bass guitarist, and a gifted arranger and producer. Rich has owned and operated Rich Sound Recording Studio since 1989, producing recordings for his family and a variety of other recording artists, as well as producing jingles for radio and television. He is also a voiceover artist, working with clients and companies from around the world. Rich is a graduate of Central Bible College in Springfield, Missouri.

## ***About Tami...***

Beginning formal studies in classical piano and voice at the age of six, Tami continued her training through college. She is a graduate of Central Bible College in Springfield, Missouri. Tami was the soloist for two years with Revivaltime, an international radio broadcast that was heard on over 600 stations weekly. She is an accomplished vocalist, pianist & flutist. Tami is also a very gifted speaker, and accepts invitations as her schedule permits, to share at ladies events and retreats. She has a gift for connecting with audiences through her vulnerability, and a heartfelt compassion for those in need.

## ***About Erin...***

Rich and Tami's daughter, Erin, is a vital part of this ministry team. There's nothing quite like family harmony, and Erin's strong voice blends with her parents to create that signature trio sound that has become a hallmark of their concerts. When Erin steps forward on a solo or to share from her heart, her confidence, passion for ministry and her love for Christ shines through. In addition to SF's touring schedule, Erin is also a very talented photographer and the owner of Photos For Keeps By Erin. Her skills in photo journalism have taken her to the heart of Africa, working with a missions organization in Uganda - to documenting her family's missions outreach to Romania.
