

## **JEREMIAH 29:11**

You know the plans You have for me  
You are the Lord of all  
They are plans to prosper me  
And not to let me fall

I will seek you Lord my God  
I will give you everything  
I will pray in Your name  
To You I will sing

You will release the captive heart  
And set the prisoners free  
You will call Your people home  
To live in harmony
