

YOU'RE ALIVE

Let Your presence come and fill this place
Let Your presence come and wash away
Let Your presence consume our hearts today
Let Your presence reign

My hope is found in nothing less
Than Your love and faithfulness
I once was blind but now I see
Your presence God is all I need
You're alive in me
You're alive in me

I believe in the resurrection
I believe You're alive in me
I believe in the resurrection
Sin is dead and now I'm free
