

IN YOU

I will give thanks to you Lord for all my days
I will bow down and adore Your holy name

As I pray, you are listening
Over me Your blessing giving

For it's in You that I'm alive
For it's in You that I am found
I can believe this freedom is mine
Come now, come now
Reign in this Place

You will full-fill all your plans for me oh lord
You won't abandon your promises of old
