

TEACH ME YOUR WAYS

Lord hear my prayer, come answer me
I need your help, come rescue me

Merciful God, please hear my call
Come satisfy, oh Lord my God

I serve you I trust you Lord my God (x2)
I serve you I trust you Lord you are my God

Come and teach me your ways so I live in your truth
Come purify so I can honour you
With all of my heart I will praise and give glory to
Your name forever

Lord you are good, you will forgive
So full of love, that never fails
