

## **CHANGE MY HEART OH GOD**

Change my heart Oh God, make me more like you.  
Meet with me oh God, mould me in your truth.

Know me and show me home  
Take me and make me your own.

Change my heart oh God, Change my heart oh God  
Change my heart oh God, Change my heart oh God

Change my heart oh God, make me more like you  
Speak to me oh God, Speak to me your truth.
