Re: 2018 Vigil Nominations

The time for Lodge Vigil nominations is here once again. Enclosed is the nomination form to be used for recommending individuals for the Vigil Honor. This form may be duplicated as needed.

THE SELECTION PROCESS:

1. Set up your chapter committee. The chapter committee makes recommendations to the lodge committee for consideration of individuals to receive the Vigil Honor

The Chapter Chief is responsible for appointing either current **YOUTH** vigil members or youth OA members who **ARE NOT** eligible for the vigil to the chapter selection committee as well as appointing a committee chairman

The chapter committee chairman will be the chapter's voice on the lodge vigil committee. Please forward the persons name, phone, address and email to me at john.brault27@gmail.com and Tom Burkhart at burkhart.ketchum@gmail.com.

2. The committee reviews **ALL** brotherhood members that meet the following minimum criteria:
 - a) Must be currently registered in the Scouting program, and a dues paying member of the Lodge
 - c) Must have been Brotherhood for two years by June of 2018.

Note: Chapter committees must consider all of the eligible members within their chapter but are not restricted from nominating other eligible members of the lodge.

3. After determining those eligible the committee then completes nomination forms for those individuals that it feels best meet the description of the Vigil as noted in the current OA handbook.

If a chapter wishes to recommend adults, there must be as many or more youth nominations included.

Use only the format of the included form. Do not include additional information or letters of support. One photograph of the candidate may be attached.

Be sure to include clear and complete descriptions of the individuals and their activities that would justify them for this honor. Keep in mind that there will be people on the Lodge committee that may not know anything about the nominee and will be basing their decisions on the information that is written about them. (Photographs are helpful in remembering people from past events)

UNDER NO CIRCUMSTANCES SHOULD A NOMINATION FORM BE FILLED OUT AND SUBMITTED BY A NOMINEE FOR THEMSELVES. THE NOMINATION WILL NOT BE CONSIDERED.

4. The chapter Chief and Adviser must sign the form. If either or both are among those being considered the committee chairman and another designated adult should sign the form.
5. The chapter Vigil Committee Chairman or his designee must present the completed nomination forms at the Lodge selection committee meeting that will be scheduled later.
6. The lodge Vigil Committee will determine when the Vigil will be held. Call outs will be conducted at the Spring Ordeals, or other appropriate Scouting events, as determined by the Lodge leadership.
