Booking Now: Singer, Speaker, Writer . . .

Sherry Anne was born with a bilateral hearing and speech impairment. Challenged with this and other obstacles early in life, she pursued and achieved beauty pageant crowns, athletic awards, academic scholarships, and a doctorate degree. Yet, Sherry Anne still had a longing - an emptiness - that only the love of her Heavenly Father could fill, and He did! Today, her ministry encompasses music and inspirational speaking, bringing the message of God's unconditional love, mercy, and saving grace to diverse audiences.

Sherry Anne sings with an elegant voice that perfectly blends a passion for the traditional and contemporary music styles with her deep faith. She shares her mission as the featured presenter for women's events, singles' conferences and other venues across the U.S., Canada and Mexico.
