

He Left No Stone Unturned

V1:

There was a lot to be done, in the work of God's Son.
So much at stake, He wouldn't make one mistake.
The duty aside was to rescue mankind.
He had to do all things well. He would not fail.

Chorus:

He left no stone unturned. He finished everything.
No uncompleted task in the journal of the King.
They tried to stop His work. They even put Him in a grave.
He left no stone unturned, but He left one rolled away.

V2:

No rest on the road, for the Savior of the soul.
No pillow for the head for the One who raised the dead.
To heal lame and blind required overtime.
He worked 'till the end to be the sinner's friend.

Chorus 2:

(Repeat Chorus 1)

Bridge:

From the manger to the mission, from the cross to the grave (to the
grave)
He left no stone unturned!

Chorus 3:

(Repeat Chorus 1)
