

He Saved Me Anyway

V1:

There I was, sinking in my sin.

There I was, reaching out to Him.

There He was, looking deep into my eyes.

And I'm amazed today to know He realized...

Chorus:

He knew I would let Him down when He needed me.

He knew I would fail Him miserably,

But He lifted me from the miry clay.

Oh, He knew me, yet He saved me anyway.

V2:

Here I am, it's another year.

Here I am, it's completely clear.

He is here right where He said He would stay,

And knowing who I am, I would have walked away.

Bridge:

He knew me, yet He loved me.

He whose glory makes the heavens shine.
