

I'LL LET YOU LEAD ME

I don't want to walk the wrong road
I don't want to go astray
But if I'm gonna follow You
I've got to let You lead the way

You've proven You will keep me
Through the heat and through the cold
I know You can, so here's my hand
Sweet Jesus, take a hold

I'll let You lead me, teach me, protect me - Lord, and keep me
All the way to the gate and straight to the Master's throne
The path is rocky and the road is steep
I need the Holy Spirit to guide my feet
So I'll let you lead me, Jesus, all the way

Keep me on the straight and narrow
As I'm making my way home
And if I stumble, pick me up
And put me back where I belong

Lord, without You, I would wander
Down a path that leads nowhere
I can't take one step without Your help
Lord Jesus, Hear my prayer
