Taxi Driver is a popular variety band from Omaha, formed in 1991 and fronted by two female singers. We are a 6-piece regional cover band performing more than 80 shows a year in a large variety of venues. From bars, to weddings, corporate parties, and street dances, we provide a show and span every decade of music from the 50's to today. Taxi Driver is proud to have one of the largest varieties of songs including Oldies, Motown, Classic & Modern Rock, Country (new & old), Dance & Current Hits. Our members include Al Irions, manager & keyboard player; Michelle Irions, manager & lead singer; Sarah Girres, lead singer; Miles Loretta, drummer, vocals; Mike Turner, guitar, vocals; Glen Smith, bass player, vocals. All members of Taxi Driver are accomplished, professional musicians with long-standing records of experience (live and studio) to their credit.

By continuing to put on great shows, Taxi Driver has been nominated for "Best Cover Band" for the Omaha Entertainment Awards in 2008, 2009, 2013, & 2015.

Taxi Driver originated in 1991 and has become a favorite staple in Nebraska and Iowa. We are a female-fronted band with interactive stage presence, and strong, solid harmonies. We specialize in larger events such as corporate/holiday parties, weddings, street dances, state fairs and more; even opening for national acts such as Tim McGraw, Lynyrd Skynyrd, Sawyer Brown, Doobie Brothers, The Monkees and BTO, to name a few.

We play everything live....no tracks! We do not use pre-determined song lists during our shows. Each show is customized to the audience and age group that is there with little to no time between songs, keeping YOU on the dance floor!
