Deposit Form

A deposit in the amount of \$500.00 is required to hold a puppy. The deposit must be received promptly in order to hold puppy. No puppy or pick spot will be reserved without the retainer fee. Checks and/or money orders are not accepted. Deposits are received only via PayPal, bank to bank transfer, bank deposit (in person), cash (in person), or Western Union/MoneyGram. All puppies are sold with American Kennel Club (AKC) registration. The pick of a puppy from a particular litter is given in the order in which the deposit was received. Initials: _____

If a deposit is sent through PayPal, it MUST be sent via Friends & Family. If it is sent via Goods & Service, an additional fee of 2.9% plus 30 cents must be added to cover the fees that will be deducted from the payment. So if placing a deposit of \$500 through Goods & Services, \$514.80 must be sent (if using Goods & Services only). If fee is not added, you will be responsible for paying the fee before taking possession of the puppy. Initials: _____

Puppies are picked when they are five (5) weeks old and go to homes when they are eight (8) weeks old. This allows puppies to develop markings and start to develop their personality. The deposit signifies that the Buyer intends to follow through with the purchase of the puppy from the Seller. In the event that the Buyer cannot follow through with the purchase of the puppy, the retainer fee is forfeited and NO refund will be given. The best practice is to be absolutely sure that you want this particular puppy or pick in a litter before you send your deposit. Initials: _____

Our puppies will be sold with limited registration (no breeding rights). If breeding rights are desired, the puppy must be tested in Natural Ability tests and be OFA or Penn HIP certified before breeding rights are considered. Initials: _____

After the retainer fee is paid, any outstanding balance shall be paid to and received by the Seller before the Buyer shall obtain possession of the puppy, AKC registration papers, or health records which are provided to the Buyer. The balance must be paid in cash when the puppy is picked up. If the puppy dies or is determined to have a congenital defect that prevents the puppy from being a companion animal, a full refund of deposit will be given to the Buyer. If there is another puppy available, the Buyer may designate their deposit be put towards that puppy. The Seller reserves the right to return deposit if another puppy is not available. The Seller reserves the right to void this transaction and refund the deposit if we feel for any reason the Buyer might not be suitable for the puppy. Outback may take up to 30 days to return or refund your deposit. Initials: _____
