PLEASE INITIAL EACH POLICY AS YOU READ IT, AND SIGN & BELOW

We do not breed for color and will not guarantee color, markings, depth of roaning, and/or solid color heads. Our breeding program is based upon temperament, hunting ability, and superior genetics. WE DO NOT SELL OUR PUPPIES BASED UPON COLOR. Asking to make an exception on this policy or any policy will immediately terminate consideration for a puppy from our kennel.* _____

Due to the recent rise in violent crime against breeders, we do not allow visitation to our kennel from those who are not deposit holders.* _____

Due to the recent incidents in the news of violence against breeders, under no circumstances do we allow cell phones or cameras on our property. If you would like a picture of you and your puppy, we will provide the photo to you. Disregard for this policy will result in Forfeiture of any deposits.*

If you have a deposit on a pick spot, Outback will notify all of our depositors upon labor of the dam. However, we cannot send updates via text, calls, or social media until whelping is over (typically several hours) as we need to devote our full attention to the dam and her litter as they are being born.* _____

Outback GSP requires a \$500.00 non refundable deposit to secure a puppy pick. Picks will be made in order deposits are received. Your deposit will go towards purchase price of the puppy.* _____

All puppies are property of outback GSP. A deposit does not give anyone ownership of a puppy, a deposit only locks in your pick spot.* _____

Outback GSP will not refund a deposit once it has been placed. If not enough puppies are born, or not enough puppies of each gender are born, deposit will be moved to an available pick spot on the next available litter.* _____

Outback GSP reserves the right to change the sire and dam on any planned breeding without notice.*

Outback GSP reserves the right to not conduct business with someone whom we feel may not be a suitable match for the puppy they are wanting to purchase.* _____

Outback GSP Kennel is not a public kennel, any approved visits are by appointment only. Please contact us first if you wish to visit our facility.* _____

Outback GSP has a strict policy on the handling of our puppies. We do allow children to visit while with the parents, however we do not allow the handling of the puppies by the children. NOTE: At pickup of your GSP puppy, please include a check or money order made payable to AKC (American Kennel Club) for the amount of \$34.99 so that registration papers can be filled out and sent. AKC paperwork will be mailed from our kennel.* _____

Our German litters will be pre-registered with our kennel name: Vom Hinterland. All other litters will be pre-registered with our kennel name: Outbacks Southern. All of our German litters will be pre-filled with a name according to the letter of the litter and ending in "Vom Hinterland". (Example: A__ __ __ Vom Hinterland). So, a puppy from the "A" litter could be named "Anna Vom Hinterland" or "Angel Vom Hinterland." A puppy from the "C" litter could be named "Clyde Von Hinterland". If it is sent via Goods & Service, an additional fee of 2.9% plus 30 cents must be added to cover the fees that will be deducted from the payment. So if placing a deposit of \$500 through Goods & Services, \$514.80 must

be sent (if using Goods & Services only). If fee is not added, you will be responsible for paying the fee before taking possession of the puppy.* _____

If you choose to pick out your puppy at our kennel (five weeks of age). Buyer must bring a pair of rubber boots. We have two bleach pan stations that boots must be dipped in and sanitized before entering our whelping house to maintain a germ and disease free environment.* _____

Under no circumstances should the puppy be single registered with another kennel club. No exceptions. Doing so will be considered breach of our contract.* _____

If you feel that compliance with our contracts and policies is going to be a problem, please find another GSP breeder. Our policies and contracts are created to not only protect the buyer, but most importantly the puppy/dog.* _____
