MARQUEE BOOKINGS

The Weimaraner Club of Victoria has organised to have marquees available for hire for the 2017 National. Leave your gazebo behind at home and arrive to a 3 x 3 metre Marquee set up ringside for your convenience, with nothing to pack up when you leave!

Size	Price	Number required

Please note, given that we have limited space if you require more than one marquee, additional purchased marquees may be placed behind the one with the 3 metre frontage to the ring.

*There will also be plenty of room behind if you want to bring your own gazebo to add extra room at the back. **Group bookings should be made together.***

Every attempt will be made to accommodate your requests but the committee reserves the right to make the final decision.

Marquees will not be allocated unless full payment is received.
