

NAVAN VETERINARY SERVICES

APRIL 2015

NEWSLETTER

We are organizing a hands-on workshop type meeting in May with Dr. Don Hoglund, an Associate Professor from North Carolina State University. Dr. Hoglund is an international speaker and also teaches applied large animal behavior and dairy cattle stockmanship.

His specialty is understanding how cows learn and shows producers how to work with their livestock to move them calmly while minimizing stress.

As details are confirmed we will let you know.

The workshop will be limited to approximately 15 people, so if you are at all interested, let us know so we can reserve you a spot!
