

GOLDEN SUNSET

E Edim A Am
here comes the night all dark and ha - zy
C G D A
there goes the day when all is through
E Edim A Am
you ran around now let's get la - zy
C D
tomorrow will come true

E G C A7
golden sunset the day was fun and long
E G C7
now see the golden sunset and smile
E G C7 A
golden sunset beds where you belong
E G A7 C
look up at golden sunsets and smile (2nd time - and smile)

E Edim A Am
now the orange light is fa - ding
C G D A
sun unplugged and no more shine
E Edim A Am
your cozy bed is there and wai - ting
C D
its time to turn off time

B C
the sun is strong like an explosion
G B
so bright and too sweet to be true
C Cm
and all those planets set in motion
B C
look out and up at something lighter
G B
look out and up from far below
C Cm
the night is dark but somehow brighter

G C G C
as you go
