

HAND IN HAND

D A D A G D A D A G
like the world needs outer space so it can spin

D A D A G D A D A G
like the rivers need the snow to melt into them

D A D A G D A D A G
I can feel love holding the whole thing together

C G F A
and I'm happy to be by your side

D A D A G D A D A G
hand in hand hand in hand we're hand in hand hand in hand we're

D A D A G D A D A G
hand in hand hand in hand in hand

D A D A G D A D A G
like the trees need a seed to begin to grow

D A D A G D A D A G
like the valleys need high hills so they stay low

D A D A G D A D A G
I can feel love holding the whole thing together

C G F A
and I'm happy to be by your side

D A D A G
air needs light to make it glow

D A D A G
music needs the radio

D A D A G
now needs the past and tomorrow

D A D G
we need time to go by slow

C G F A
and I'm happy to be by your side
