

EARLY BIRD

Gm7

we all love you early bird gonna watch you rise and fly

Gm7

we all love you early bird gonna catch you by and by

Gm7

we all love you early bird gonna watch you rise and fly

Gm7

wake up won't you early bird

C

G

long before the dogs go bark and roosters get to call

G#

D

you can find the early bird standing proud and tall

C

G

long before the spider webs cover up with dew

G#

D

you can find the early bird singing just for you

C

G

you can catch the early bird but you can't go to sleep

G#

D

without a doubt he's up and out round sun up in a tree

C

G

you could set a trap or rig a cage with a treat

G#

D

but you only have to stop and laugh and with you he will be

Gm7

Fm7

(let's get up with the early bird)

Gm7

A#m7

(let's get up with the early bird)

solo - Gm7 Fm7 Em D#m7 D

C G D G
early bird might sing this morning long before the dawn

C G D G
I surely hope to hear the notes of his silent song

C G D G
early bird might sing this morning on the misty lawn

C G D G
I surely hope to hear the notes of his silent song

 C G D G
so listen up for the early bird

 C G D G
let's listen up here comes the early bird

 C G D G
let's listen up and hear the early bird

 C G D G
let's listen up
