THE CREATURES UNDER MY BED

G D
I heard a funny song coming up through my pillow
G D and filling up my head
G D
it made me shiver it made me wonder Bm C
who's making music underneath my bed? G D
I worked up the courage to pull up the covers G D
I'll tell you what I saw G D
four funny things makin sweet music
Bm C bangin' and strummin' with their awful claws
D# G F A# the creatures under my bed (they play) D# G F A#
silly songs that stick in my head (and hey) D# G F A# C
the creatures under my bed (they sound great)
solo - G D G D Bm C
G D one plays piano she's a frog like monster G D striking like a snake G D
her scaly little tail pounds out the melody Bm C
a boogie woogie earthquake
G D D one takes a solo on a busted little trumpet
G D float up and dissapear
G D
vanish from the planet in a black hole solo
Bm C left me laughing and pluging my ears

```
G
one is groovy on the rubber band bass
G
    the notes foat low
G
big fat strings flappin in the spotlight
(boom boom) how low can you go?
one is the drummer boppin on the skins
G
    bangin out a beat
G
shoebox kick drum pot lid cymbal
drum solo every night of the week
D#
                           A#
   the creatures under my bed (they play)
D#
                  G
                          F A#
   silly songs that stick in my head (and hey)
                          Α#
D#
                       F
   the creatures under my bed (they sound great)
D#
                       F
                          A#
the creatures under my bed (the creatures under my bed)
used to fill me with dread (but)
                          A#
all they really want to do is play (they're gonna play)
C
(they wanna play)
                                            G
(tonight I'm gonna see the creepy creatures)
```
