

KNEE HIGH THING

G F#
a bud will sprout to be tall as a tree and you will sprout to be tall like me
F A# G
so waddle through the grass so green I'll measure you against my knee

C
you're my knee high knee high knee high thing knee high knee high knee high thing
Dm F7 C
time flies by and you're growin' like a weed

G F#
clear the prickles from our favorite spot kick back and look at the sky we got a
F A# G
flower that grows when the sun is hot through the cracks in the parking lot

G F#
I'm feeling dandy like a dandelion as you toddle along by my side
F A# G
someday you may run and hide but for now you're stuck to me like a vine

solo - C F7 C A# Dm C A# Dm G

G F#
the day is over and the sun is gone the weeds are sleeping and waiting for dawn
F A# G
I sing my song and can't go wrong all you need to do is sing along

C
you're my knee high knee high knee high thing knee high knee high knee high thing
Dm F7 C
time flies by and you're growin' like a weed (2)
