

BENEATH THE WATER

D
well it rained and it rained
G D
and the fish all got tired
D
it poured and it poured
A
and made a lullaby
D
and it spilled and it spilled
G Gm
and made them close their eyes

D C G
now they sleep beneath the water
D G
I see them when I swim
D C G
they all sleep beneath the water
Em A G
and drift away when I dive in
D
when I dive in

D
well it stormed and it stormed
G D
but the fish were cozy
D
it shook and it shook
A
and the wind tore up the sky
D
it moaned and it groaned
G Gm
but the fish stayed in their dreams
