

## DAYS GONE BY (AUD LANG SYNE)

D A D D7 G  
should old acquaintance be forgot and never brought to mind  
D A A7 Bm G D  
should old acquaintance be forgot and all those days gone by

D A  
for all those days gone by my dear  
D G  
for all those days gone by  
D A  
we'll take a cup of kindness yet  
G D  
for all those days gone by

D A D D7 G  
we two have been through darkened woods seen night and seen sun shine  
D A A7 Bm G D  
we've wandered mile after mile to sing of days gone by  
D A D D7 G  
so surely you will raise your glass and surely I'll raise mine  
D A A7 Bm G D  
we'll turn our thoughts to years ago and pine for days gone by

(solo) C D C D C D C D

D A D D7 G  
we two have drifted in the stream and crossed the great divide  
D A A7 Bm G D  
while space and seas between us roar we'll drift to days gone by  
D A D D7 G  
and there's a hand my trusty friend come take this hand of mine  
D A A7 Bm G D  
we'll sing the songs that bring us close and think of days gone by
