

## UP ALL NIGHT

D Em G  
up all night up all night tree to tree look at me I'm  
D Em G  
up all night up all night bright and light and snowy white I'm  
D  
up all night tonight up all night tonight

Em G  
you could fly and be with me  
D A  
but you might need a little more sleep  
Em G A  
so listen for me calling you

D Em G  
up all night up all night out for a ride eyes open wide  
D Em G  
up all night up all night wind in feathers night times better so I'm  
D  
up all night tonight up all night tonight

D Ddim Bm A G F#m Em A

Em G  
you could fly and be with me  
D A  
but you might need a little more sleep  
Em G A  
so listen for me calling you

D Em G  
up all night up all night tree to tree look at me I'm  
D Em G  
up all night up all night gliding home in the sunrise glow I've been  
D  
up all night tonight all night tonight  
all night tonight all night tonight
