

## LIGHT THE STARS

B Bdim A D  
when your day is done and you did it all can't help but let your eyelids fall  
B Bdim A D  
light the stars for the sleepers light the stars for the itty bitty sleepers  
B Bdim A D  
light the stars light the stars

B Bdim A D  
when the hourglass runs out of sand ready to fade into sleepy land  
B Bdim A D  
light the stars for the sleepers light the stars for the itty bitty sleepers  
B Bdim A D  
light the stars light the stars

B Bdim A D  
when the trees go black in the purple sky shadows blend with the inky night  
B Bdim A D  
light the stars for the sleepers light the stars for the itty bitty sleepers  
B Bdim A D  
light the stars light the stars

B Bdim A D  
when the evening breeze blows clouds away consciousness begins to fade  
B Bdim A D  
light the stars for the sleepers light the stars for the itty bitty sleepers  
B Bdim A D  
light the stars light the stars

B Bdim A D  
when the planet turns toward the void dream of sleep brings so much joy
