

## WHO IN THE CIRCUS IS ME?

C

I saw the circus last week and it made me stop and think

G

if I flipped a coin and had to join

Em F Dm Am G

who in the circus is me?

C

would I swing high on a trapeze the thought makes me weak in the knees

G

I'd be ready to fly and feel everyone's eyes

Em F Dm Am G

on me and then I would freeze

C

would I spit out a big ball of fire would I walk through the air on a wire?

G

that all sounds appealing but I have a feeling

Em F Dm Am G

professionals are who they should hire

C

would I train the fleas to transform into a performing swarm

G

that sounds exciting 'till the fleas start biting and

Em F Dm Am G

everyone heads for the door

solo - C

C

I would join the clowns for fun in a car with a hundred and one

G

but what would I do if I'm clown 102 my

Em F Dm Am G

clown career would be done

C

I think in the end I will stay in the crowd and be thrilled

G

to watch the pros put on a show with

Em F Dm Am G C

daring and style and skill
