B

E

black bird sittin' there on a stump

E

made a little boat out of old pine cones  
took it on the lake felt right at home  
wind came up (what a gail!)  
the bird forgot to add a sail

E

made a guitar out of woody bits  
played a little lick played a little riff  
put on a show one night last june  
my that bird can carry a tune

D E

E

made a little airplane out of twigs  
flew up high in a loop so big  
you might think that birds insane  
why would a bird go build a plane?
