

DAY IS GONE

A# F A# F
and the stars are shining brightly and the lights are dimming down

A# F
and the twilight it comes nightly

G# D# Dm A# F
sun is off moon is on everybody knows the day is gone

A# F A# F
and the crickets are all singing and the frogs call out tonight

A# F
that's the song this night is bringing

G# D# Dm A# F
sun is off moon is on everybody knows the day is gone

A# F A# F
and the rivers are done running and the mountains are all still

A# F
and the purple sky is stunning

G# D# Dm A# F
sun is off moon is on everybody knows the day is gone (X2)

A# F A# F
and the houses are all silent as the colors fade to grey

A# F
and the sky is wide and giant

G# D# Dm A# F
sun is off moon is on everybody knows the day is gone (X2)

A# F A# F
and the stillness is astounding does the planet spin no more?

A# F
and the silence is announcing

G# D# Dm A# F
sun is off moon is on everybody knows the day is gone (X4)
