

## WHERE HAS MY LITTLE DOG GONE

D                                    A                                    G                                    C                                    A  
where oh where has my little dog gone? where oh where can he be?

   D                                    A                                    Em                                    A                                    G                                    Gm  
with his ears so soft and his tail so long where oh where can he be?

D                                    A                                    G                                    C                                    A  
where oh where has my little cat gone? where oh where can he be?

   D                                    A                                    Em                                    A                                    G                                    Gm  
with his fur so black and his purr so sweet where oh where can he be?

D                                    A                                    Bm                                    E7 G                                    D                                    G                                    Gdim Em  
I looked everywhere I hope they know I care where oh where oh where can they be?

D                                    A                                    G                                    C                                    A  
where oh where can my little fish be? where oh where can she be?

   D                                    A                                    Em                                    A                                    G                                    Gm  
with her eyes so big and her scales so gold where oh where can she be?

D                                    A                                    G                                    C                                    A  
where oh where can my little bird be? where oh where can he be?

   D                                    A                                    Em                                    A                                    G                                    Gm  
with his big yellow beak and his green and blue wings where oh where can he be?

D                                    A                                    Bm                                    E7  
we used to parade in pairs people would stop to stare

G                                    D                                    G                                    Gdim Em  
where oh where oh where can they be?

   D                                    A                                    Bm                                    E7  
they must have gone out for some air now I'm sad beyond repair

G                                    D                                    G                                    Gdim Em  
where oh where oh where can they be?

D                                    A                                    G                                    C                                    A  
where oh where can my little frog be? where oh where can she be?

   D                                    A                                    Em                                    A                                    G                                    Gm  
with her big wide mouth and her sticky lick tongue where oh where can she be?

D                                    A                                    Bm                                    E7  
where oh where oh where? where oh where oh where?

D                                    A                                    G                                    A                                    D  
where oh where oh where? can they be?
