

## ANNABELLE PANCAKE

C            G            A            F#  
it's 5am and the forest animals line up for breakfast  
C                            G            A                            F#  
the cook is in the kitchen making pancakes for everyone  
C                            G            A            F#  
the griddle is hot and the animals are super duper hungry  
C                            G            A                            F#  
they wait in line while the cook makes stacks of sweet little pancakes

Em                            F            Em                            F  
but one of those pancakes has other ideas  
Em                            F            C            G            A            F#  
she wants to be free to ruuuun ruuuun

                          C            G                            A                            F#    D#    G  
(and her name is) Annabelle Pancake she's jumping up and rolling away (x2)

C                            G            A                            F#  
all the animals in line see a pancake rolling away  
C    G  
they can't believe their eyes  
                          A    F#  
they're all incredibly hungry so they start to chase it  
C                            G            A                            F#  
the fox is fast but the bear is big and jumps out ahead  
C                            G            A    F#  
the squirrel is zippy but none of them are faster than the crazy little pancake

Em                            F            Em    F  
it feels good to roll over the mossy forest floor  
Em                            F                            C            G            A            F#  
she reaches a clearing in the suuuun suuuun

                          C            G                            A                            F#    D#    G  
(and her name is) Annabelle Pancake she's jumping up and rolling away (x2)

C                          G                          A          F#  
 now if your on a trip with your family driving around  
 C    G                  A                                  F#  
 keep your eyeballs on the woods      you might see a happy little pancake  
 C                          G          A                                  F#  
 rolling around free in the world like she wanted to be  
 C    G          A                                  F#  
 but you also might see hungry little chipmunks following her

Em                          F                  Em                          F  
 roll down your window      tell her to run  
 Em    F                          C          G          A          F#  
 cause a free pancake is more fuuuun fuuuun

    C                  G                          A                                  F#          D#          G  
 (and her name is) Annabelle Pancake she's jumping up and rolling away      (x2)  
                         C          Cdim          Am          G          F          Fdim          D          C  
 roll awaaaaaaaaaaaaaaaaaaaaaaaaaay
