

CHICKEN IN THE CORNBREAD

D

made a batch of cornbread made it for my lunch

A D

put it out to cool on my back porch

D

heard a little scratchin' heard a little peck

A D

chicken in the cornbread what the heck

D

made a batch of cornbread made it just for me

A D

put it out to cool put it in a tree

D

heard a funky flappin' high up in the sky

A D A D

chicken took a lesson chicken learned to fly chicken learned to fly

A

I was gonna eat cornbread for a week

G C A

but you put your beak all over my treat

D

made a batch of cornbread made enough to save

A D

put it out to cool put it in a cave

D

would have made a fire but I couldn't make a spark

A D

chicken in the cornbread chicken in the dark

D

made a batch of cornbread mixed it with a spoon

A D

put it out to cool put it on the moon

D

came out fluffy 'cause of gravity

A D A D

chicken in a moon suit starin' at me starin' at me

A

I was gonna eat cornbread for a week

G C A

but you put your beak all over my treat

D C F# G

why did you eat my cornbread chicken chicken?

D C F# G

why did you eat my cornbread (why why?)

D C F# G

why did you eat my cornbread chicken chicken?

D

hey little chicken in the cornbread

D

made a batch of cornbread made enough to last

A D

put it out to cool put it in the past

D

cornbreads gone crumbs in it's place

A D

chicken made its way through time and space
