

MUD PUDDLE

Dm

I am walking through a mud puddle (mud puddle mud puddle)

G C

rain was here today more rain is on it's way

Dm

but not enough to wash this puddle away

Dm

tad pole livin' in a mud puddle (mud puddle mud puddle)

G C

splashing through it's home and it don't live alone

Dm

all its brothers and sisters will be froggies when they're grown

Dm

water bug scootin cross a mud puddle (mud puddle mud puddle)

G C

I just made a wave he surfed into to the shade

Dm

I hope that he is happy and I hope that he is safe

Dm

birds are taking baths in a mud puddle (mud puddle mud puddle)

G C

they dry off and fly when I come splashing by

Dm

mud on thier wings but they still fly so high

solo - Dm G C

Dm

worms are hiding in a mud puddle (mud puddle mud puddle)

G C

my boots stomp and shake make a muddy earthquake

Dm

I see them all scramble have I made a mistake?

Dm

next time I walk through a mud puddle (mud puddle mud puddle)

G C

I'll tip toe around where those critters can be found

Dm

and let then all live in the muddy muddy ground

let then all live in the muddy muddy ground

let then all live in the muddy muddy ground
