

I'VE BEEN SLEEPY ON THE RAILROAD

D G D
I've been sleepy on the railroad all the live long night
D E7 A
I've been sleepy on the railroad just to pass the time till light
A7 D G A#
can't you hear the whistle blowing rise up so early in the morn
G D A7 D
can't you hear the people shouting baby come and blow your horn

G D
baby won't you blow baby won't you blow
A D
baby won't you blow your horn
G D
baby won't you blow baby won't you blow
A D
baby won't you blow your horn

D G D
I've been sleepy on the railroad underneath a sky so black
D E7 A
I've been sleepy on the railroad hear the wheels go clickity clickity clack
A7 D G A#
can't you see the towns we're passing shuttered since night fell
G D A7 D
can't you hear the people shouting baby come and ring your bell

G D
baby won't you ring baby won't you ring
A D
baby won't you ring your bell
G D
baby won't you ring baby won't you ring
A D
baby won't you ring your bell
