

## TERMITE

G

termite moving in to my house I did not invite 'em and I want 'em out  
termite tell me that I need to move tiny termite so brave and rude  
termite dig right in and start to chew this is my house but to them it is food  
termite make a thousand tunnels a day I wish they'd eat a log and go away

C

go away go away go away termite

G

termite make a hole in my floor I had some walls but now I don't any more  
termite make a hole in my roof here comes the rain and I'm not waterproof  
termite that's enough it's time to go poison and traps but they all say no  
termite I'd ask you individually but there's millions of you and only one of me

C

one of me one of me one of me

A# G

termite kept on chewing throughout the night

A# G

all I had left were windows and pipes

A# G

I finally had to go but when I looked back

A# G

all that I saw was the chimney stack

solo - F G F G F G F G

F G

termite moving away from my house

F G

ate all the wood now they're moving out

F G

next time I'll build my place out of stone

F G

then maybe termite will leave me alone

C

leave me alone leave me alone leave me alone

F G

C

termite! (chew chew chew chew chew chew) (4)
