

## JUST FOR YOU

D G  
here comes the sunset just for you little baby here comes the sunset just for you  
Bm D Bm D  
prettiest thing that you've ever seen day to night we are in between  
G A G D  
here comes the sunset just for you little baby

D G  
here comes the night sky just for you little baby here comes the night sky just for you  
Bm D Bm D  
inky blue dark and wide day time creatures run and hide  
G A G D  
here comes the night sky just for you little baby

D G  
here comes the moon just for you little baby here comes the moon just for you  
Bm D Bm D  
reflecting in your sleepy eyes every night its a different size  
G A G D  
here comes the moon just for you little baby

D G  
here come the stars just for you little baby here come the stars just for you  
Bm D Bm D  
twinkle twinkle sing the song space goes on and on and on  
G A G D  
here come the stars just for you little baby

D G  
here comes mothers loving face little baby here comes fathers loving face  
Bm D Bm D  
one last look one last kiss fall into bedtime bliss  
G A G D  
here comes mothers loving face little baby  
G A G D  
here come the stars just for you little baby  
G A G D  
here comes the moon just for you little baby  
G A G D  
here comes the night sky just for you little baby  
G A D  
here comes the sunset just for you
