

## NAP IN THE AFTERNOON

D            C            G            Gdim  
baby and I get up in darkness  
D                    C                    G            Gdim  
we watch the sunrise through the window  
D            C                    G    Gdim  
watch teletubbies on the TV  
D            C            Bm  
later that day we are exhausted and take a

G                    C            G                    C            G  
nap in the afternoon together nap in the afternoon forever  
                          C    D  
nap in the afternoon

D            C            G            Gdim  
baby and I get up in darkness  
D            C                    G    Gdim  
eat little waffles by the ocean  
D            C                    G    Gdim  
I push the stroller four miles  
D            C                    Bm  
later on we get to slumber take a

G                    C            G                    C            G  
nap in the afternoon together nap in the afternoon forever  
G                    C            G                    C            D  
nap in the afternoon together nap in the afternoon

solo - F/A/D (2) F/A/A#/F/A

D            C            G            Gdim  
baby and I get up in darkness  
D            C                    G    Gdim  
we play piano in the silence  
D            C                    G    Gdim  
go for a ride around the island  
D            C                    Bm  
soon we will drift back to dreamland and take a
