

ROCK A BYE BABY

G Am D
rock a bye baby in the tree top
D C G
when the wind blows the cradle will rock
G Am D
when the bough breaks the cradle will fall
C G Am D G
and down will come baby cradle and all

C
rock a bye baby the cradle is blue
G G#
your father does love you your mother does too
A7
sister is fancy and wears a gold ring
D
and brothers a drummer drummin' for the king

G Am D
rock a bye baby on the hill side
D C G
when the sun shines the babies eyes hide
G Am D
when the clouds come the sun runs away
C G Am D G
and out will come baby to play in the rain

C
rock a bye baby dont go to sleep
G G#
stay up all night and chase away dreams
A7
when the day comes the baby is beat
D
and falls asleep sitting up in its seat
