

# DRAGONFLY BLUE

G D E

          G                  D                  E  
dragonfly blue I am watching you under some summer stars

          G                  D                  E          F#  
dragonfly blue the warm glow of you this pond is only ours

          G                  D          Bm          A  
dragonfly blue I am watching you under bright blue skies

          G                  D                  E  
dragonfly blue my eyes is on you as you circle by

                  G                  D                  F#m  Bm          G  D  E  
please don't go away don't go away dont go awaaaaay (X3)

          G                  D                  E  
dragonfly blue I will visit you in your flower home

          G                  D                  E          F#  
dragonfly blue light me a lamp and I'll find the glow

          G                  D          Bm          A  
dragonfly blue I really wish you could play

          G                  D                  E  
dragonfly blue I really wish you could stay

                  G                  D                  F#m  Bm  
please don't go away don't go away dont go awaaaaay (fade out)
