friday night everynight disco hippo

C G A D
rhinosorus can stomp his feet and make a booming sound
C G A D
chimpanzee can boogie side to side and upside down
C G A D
falmingo makes the scene in a pair of bright pink pants
F A
but we all know that hippo is the queen of the dance

C G A D
that giraffe is always last to leave the discoteque
C G A D
a billion bugs are spinning like a cloud of groovy specks
C G A D
elephant can twirl and trumpet music from her snout
F A
but when the spotlight swings I think you know who's singled out
solo - E A

G Gdim Adim A
here comes the rising sun but the party lights are on
G Gdim Adim A
the night is fading out we see the coming of the dawn
G Gdim Adim A
all the tired animals are sleeping on the lawn
G E
but there is one still dancing and I think you know which one
