

RATTLESNAKE

A

rattlesnake oh rattlesnake what makes your tail shake?

D

a good old tune and a jug of juice

A

that's all that it will take

D

A

D

E

that's all that it will take all that it will take

A

rattlesnake oh rattlesnake what makes you want to bite?

D

I don't really want to but I'm scared

A

of noises in the night

D

A

D

E

noises in the night noises in the night

A

rattlesnake oh rattlesnake why is your home so hot?

D

I been living in the desert all my life

A

and it's the only home I've got

D

A

D

E

the only home I've got the only home I've got

A

who's makin' that sound who's that makin' that (rattlesnake)

G D A

A

who's makin' that who's makin' that who's makin' that

G D E

A

rattlesnake oh rattlesnake why are you hard to find?

D

I don't go out for long long walks

A

that hawk's no friend of mine

D

A

D

E

that hawk's no friend of mine no friend of mine

A
rattlesnake oh rattlesnake why does your venom sting?

D
if I could not catch and eat my dinner

A
I'd never eat a thing

D A D E
I'd never eat a thing never eat a thing

A
rattlesnake oh rattlesnake why is your skin so brown?

D
understand I gotta match the sand

A
you can't see me on the ground

D A D E
can't see me on the ground see me on the ground

A
rattlesnake oh rattlesnake can you hear my song?

D
my ears I fear are not that great

A
but I can shake along yes

D A D A D A D E
I can shake along I can shake along I can shake along I can shake along
