

UNDO YOUR MIND

C G C G
touching a cloud with your small fingertips
C G F
dream about tree tops and flying and this
F C G
is all that your baby thoughts now needs to think
C G F Am G F
so undo your mind and fall

C G C G
skimming the stars with your small fingertips
C G F
round the round planets so dizzy and this
F C G
is all that your baby thoughts now needs to think
C G F Am G F
so undo your mind and fall

C G C G
tickling the waves with your small fingertips
C G F
handfulls of sand from the shoreline and this
F C G
is all that your baby thoughts now needs to think
C G F Am G F
so undo your mind and fall

D Am D F

C G C G
flicking the switch with your small fingetips
C G F
turing the light in to darkness and this
F C G
is all that your baby thoughts now needs to think
C G F Am G F
so undo your mind and fall
