

DEEP IN THE DIRT

A

deep in the dirt is a mole so brown
digging up and digging down

D

deep in the dirt there's a maze of roots

A

some go to trees and the trees grow fruit

E

D

deep in the dirt there's a growing power comin' up through a tiny flower

A

deep in the middle of the dirt in the middle of the dirt

E D

in the middle of the world

A

deep in the dirt there are tiny stones
millions of mushrooms millions of bones

D

deep in the dirt there's a bunch of ants

A

hollow out a home underneath the plants

E

D

deep in the dirt grows a vegetable day after day 'till they're ready to pull

Bm D Bm D Bm D

A

deep in the dirt there's a molecule part
born in the center of a distant star

D

deep in the tubes of a volcano

A

the dirt gets hot and it wants to flow

E

D

deep in the dirt is the summers heat and the frozen winter so frosty

A

deep in the dirt is where I go
