

ANOTHER DAY

A D A D
check out the rising sun check out the rising sun
A D A D E A D A D
you are my only one and another day has just begun (just begun)
A D A D
check out the morning glow check out the morning glow
A D A D E A D A D
ten fingers and ten toes and another day is starting slow (starting slow)
A D A D
check out the brightening sky check out the brightening sky
A D A D E A D A D
I see me in your eyes and another day is full of light (full of light)
A D A D
check out the planet's spin check out the planet's spin
A D A D E A D A D
this moment makes us grin and another day is here again (here again)

solo - A G A G A G A G A G A G A G D E

A D A D
check out the rising moon check out the rising moon
A D A D E A
we hum this gentle tune and another day is ending soon (ending soon)
A D A D
check out the rising sun check out the rising sun
A D A D
check out the morning glow check out the morning glow
A D A D
check out the brightening sky check out the brightening sky
A D A D
check out the planet's spin check out the planet's spin
A D A D A
check out the rising moon and another day is ending soon
A D A D A
another day is ending soon another day is ending soon
A D A
another day is ending
