Dear STCM Members,

This is to advise our STCM Membership that our 2020 Specialty Show scheduled on September 05, 2020 at the Kalamazoo Kennel Club, has been unfortunately cancelled due to the Covid 19 Virus. During our STCM Board Meeting tonight, after very detailed and considerate discussions by all, we felt we had no choice but to cancel this show for everyone's safety.

At this time, we have contacted STCA, AKC, judges and numerous other organizations that support our STCM Specialty Show that we have cancelled.

Please refrain from posting on your Facebook, Twitter and other websites for the next few days.

This Covid 19 is a very scary virus and full of uncertainties. We want everyone to be safe. Hopefully, they will have a vaccination available soon.

We look forward to having our 2021 STCM Specialty Show on September 11, 2021.

Respectively Submitted,

Regina Hess, President STCM
