~ a trilogy of hymns ~

the first...

“the first...” is one of three hymns albums celebrating church music from all denominations. The focus of this solo piano album is on the message of the song rather than in which hymnal it was printed. As you listen, open your heart and mind, let the spirit of these melodies wash over you. These twelve selections are played from the heart, and may vary a bit from how you remember them being played in church. I want to say thank you to Aaron Horne, my producer and husband, who never stops dreaming for me. Thanks for always believing in me. I love you with all my heart!
