

Good Times and Friends

Vs1

Heres a song of celebration
'Bout Good Times and Friends, and no frustration
So take it easy, yeah take it real slow
Kick back and have a seat, just let the music flow

Chorus

We're talkin 'bout Good Times, Good Times n Friends
Come on baby, don't-cha know we'll make amends
Good Times, Good Times n Friends
Talkin bout Good Times, we're talkin bout Good, Good Times and Friends

Vs2

Got all night, you know we're gon' take our time (take our time)
Got no time to worry bout tomorrow, everything will be just fine
I know the hard times, done come your way
Stand up and shake it off - yeah, cause we live things day by day

Chorus

Vs3

We lost friends, along the way
Sure wish they could be here today
but you know those memories, they live on and on...and on -n- on -n- on
So take yo drinks and raise'm up- yeah, n make a lil toast
To all the Good Times you remember and all the Good Friends you know

Chorus

Here's a song of celebration
'Bout Good Times and Friends and no frustration
